

## Psion Workabout Pro EID Reader

The ISO readers AIR100/200 are designed as an integrated reader head for the generation 1 and 2 of the Windows handheld computer WORKABOUT PRO by PSION TEKLOGIX. The readers combine the reading of ISO 11784/5 transponders with the flexibility and mobility of a rugged portable computer based on Windows CE and Windows Mobile with optional WiFi and Barcode. With the convenient one-hand reading it is the ideal solution for all applications that require many data like at breeding, dairy operation, transport or veterinarian services.
